2019 Chardonnay PURE

Made from Organic Grapes
Ettore Winery

93 Points ~ Tasting Panel

Made with organic grapes and aged in stainless steel, this is a floral beauty. Gladiolus, buttercup, and honeysuckle meld with peach and pear blossom. It shows its depth of character through lively acidity and a hint of vanilla cream.

November 2022

91 Points ~ James Suckling

Attractive aromas of baked lemon, wild thyme, white tea and wet stone. Medium-bodied with a smooth texture. The palate begins bright and fresh, but turns slightly more savory as it goes on. Pleasantly persistent. From organically grown grapes..

September 2022

90 Points ~ Wine Enthusiast

A solidly well-balanced and classic expression of Chardonnay with notes of lemon, lime and grapefruit, white peach and nectarine, cherry and citrus blossom alongside oaky tones of toasted wood and vanilla.
