

2019 Chardonnay RESERVE

Organically Farmed Grapes
Ettore Winery

91 Points ~ Wine Enthusiast

Another overall engaging and interesting Chardonnay expression from Ettore. A deep gold in the glass, initial aromas are of lemon preserves, orange marmalade, citrus peel, vanilla and blonde caramel. The palate follows through adding oaky tones of cut wood, vanilla and pine resin.

Aromas of matchstick, straw, lemon curd and grated nutmeg. Full-bodied and linear onto the palate with a nutty and savory character and an old school appeal.
